

Farming Together forum invitation

Dried fruit growers interested in collaborating with other farmers might like to attend the Farming Together national forum.

The free event, which is sponsored by the Australian Government, will be held at the Adelaide Convention Centre from 6–7 June.

The forum brings farmers and farm service specialists together to share knowledge and experiences in successful collaboration.

See the attached flyer for more information. Growers interested in attending should contact DFA Consultant Field Officer Stuart Putland on 0428 338 276.

This project has been funded by Horticulture Innovation Australia Limited using the Dried Grape Industry research levy and funds from the Australian Government.
